## **BACKGROUND:**

*The COE requests no actions at this time. The committee reports the following two items:*

1. Completed and ongoing work of the committee includes efforts to support the dissemination of the ALA Core Competences (approved 2023)

- COE members presented a session at the 2023 ALISE conference
- COE members finalized an infographic to be distributed widely to help educate various stakeholders about the competences and their use in library and information workplaces. Print copies of this graphic will be available at the ALA Annual Conference
- COE began planning an online workshop to be developed for fall 2024. The workshop will be delivered in a series of sessions to introduce the competences and their practical applications for a variety of library professionals. Planning for these workshop sessions will continue at ALA Annual and through summer 2024. The workshop will be advertised in early fall 2024 with a Oct/Nov delivery.

2. The committee will continue policy review.
