RE: Information Report

INFORMATION REPORT

In July 2023, following the affirmative membership vote to approve the General Revision of the ALA Bylaws in the first half of 2023, the ALA-APA Board of Directors charged the ALA-APA Bylaws Committee with concomitantly amending the ALA-APA Bylaws via a general revision—in consultation with the ALA Governance Office staff, the ALA general council, and the ALA parliamentarian. We were asked to complete that work by February 1, 2024.

I am happy to report that we have made considerable progress in executing that charge—approximately 70% of the revision is complete. Unfortunately, however, we will not have completed the work by February and will, therefore, request an extension from the ALA-APA Executive Board.

In closing, I want to thank the other members of the Bylaws Committee, all of whom are wonderful colleagues to work with, as are Sheryl Reyes and Adrian Stratton.

Respectfully submitted,

Brian E. C. Schottlaender, *Chair*

Sheryl Reyes (Director, Office of ALA Governance, Staff Liaison)
